From the Executive Director

"How wonderful it is that nobody need wait a single moment before starting to improve the world" - Anne Frank

I, as we all do from time to time, need to be reminded that the simplest act of kindness and giving has a multiplying effect. The growth we have had, in our ability to get more money to the patients directly each year, is of great pride to the organization. It is because of your generosity and participation in the DFMCF community that this is possible. I couldn't do this without you!!

Suzanne, with
her daughter, Lily
at DDC2015

In 3 years, we have been able to give a total of over \$77,000 to 3 Oregon hospital affiliated Cancer Center's Patient Support Services Programs. Each program is fully funded through philanthropy. That means 100% of the money goes to patients' financial needs, to cover their costs.

I'm determined to make this upcoming 2016 Dom Diddy Classic Golf Tournament and Auction more successful and enjoyable than last year's, which will be a challenge! Nothing warms my heart more than anticipating the coming together of all our family and friends... I refer to as the DFMCF community. Those who knew Nick Fouts and those who are just now learning of him, gathering together to spend a day remembering the loved ones lost to cancer and smiling about all the good memories shared with those loved ones. Inspired by Nick's fight and life, we will gather Monday, June 27, 2016 at Tokatee Golf Club. www.domfoutsfund.org/new-events-1/

Our mission it to help patients and their families pay for the cost of cancer care. It is all about relieving that element of stress, because fighting cancer and staying alive is stressful enough!

THANK YOU!!!

The Dominic Fouts Memorial Cancer Fund would not be possible without the support of generous donors and volunteers who see it in their hearts to help us in our mission. We feel so passionate about the struggle and stress that goes along with fighting cancer, whether you are the one with the diagnosis or your loved one. It is a helpless feeling when someone you love is dealing with this heavy weight. If we can help take away or alleviate in any way, large or small, the financial burden and stress on families and individuals, that is our primary wish!

We know there is a cure in the future and we won't stop our fight as long as there is cost for treatment!
