From the Executive Director

It is becoming a little tradition for my sister Shannon and I, to cruise the course at the Dom Diddy Classic.

Once play begins, we get to personally greet the extraordinary golfers who have taken time out of their lives to embrace the mission of DFMCF.

With the first two events under my belt, and a combined net of \$55,000+ raised, we are now on track to sellout faster than before! Every time the gravity of the planning tries to bog me down, I get a email or a phone call with offers to donate and contribute. It is truly a community effort and I could not be more grateful!

The highlights for me at the last Dom Diddy have to be the Speakers and the surprise Bag Piper. You can watch that video online : www.domfoutsfund.org/pastevents/. Dr. Weinberg was so inspiring in the research and groundbreaking results he is having with immunotherapy as treatment for cancer and Lindsay Bozanich... come on, if you were there you know what I mean. She is eloquent and I am privileged to have her words in remembering my brother, as well as her spirit of advocacy in survivorship.

THANK YOU | THANK YOU | THANK YOU

Our mission it to help patients and their families pay for the cost of cancer care. It is all about relieving that element of stress, because fighting cancer and staying alive is stressful enough!

I love this of Nick on a camping trip with buddies.

*In loving memory

Gratitude

THANK YOU!

The Dominic Fouts Memorial Cancer Fund would not be possible without the support of generous donors and volunteers who see it in their hearts to help us in our mission. We feel so passionate about the struggle and stress that goes along with fighting cancer, whether you are the one with the diagnosis or your loved one. It is a helpless feeling when someone you love is dealing with this heavy weight. If we can help take away or alleviate in any way, large or small, the financial burden and stress on families and individuals, that is our primary wish!
