CALL TO ACTION

The Dominic Fouts Memorial Cancer Fund's corporate governance framework is available on our website and by written request. The policies are regularly reviewed to ensure that our corporate governance framework reflects best practices and the particular needs of the charitable sector in which we operate.

THE BOARD OF DIRECTORS

The Board has six members; comprising five non-executive independent co-founder directors, and one executive co-founder director. In keeping with our focus to minimize administrative costs, all Board members are not paid for their directorship.

From the Executive Director:

2020... am I right?

You aren't imagining things, I did not produce an annual report for 2020. For the entirety of 2021, when conversation brought me to memories of 2019, I would say last year. I omitted 2020 in my subconscious, meaning to say "two years ago", but "nothing" happened. Well except for the beginning of the Coronavirus pandemic. The world is in a strange place. For me, feelings of anxiety and uncertainty would dominate 2020.

2021 would also present with uncertainty and anxiety, however, to combat the unpredictable worrisome feelings, I focus on things we can improve and control. The Dom Diddy Classic of 2021 took place in September, instead of June, and had a tee time start rather than its usual shotgun. Thanks to our DFMCF community and Dom Diddy participants, that day brought us together again. I believe we all experienced levels of disconnection these past couple of years, so being able to meet new attendees and connect with you all filled a void inside.

I am looking forward to 2022 in a whole new light, so excited to host the coming tournament. Because I know that no matter if the format has to stay the same as last year, it is still going to be a kick-ass day.

A thousand times over... thank you from the bottom of my heart! - Suzanne

DOM DIDDY CLASSIC NEWS

The cancellation of the 2020 golf tournament was an unfortunate occurrence but it was necessary. We hope the time you had in lieu, was filled with necessary family time and reflection or just surviving.

We were so thrilled to be able to gather again, in a different more intimate way nonetheless, in the fall of 2021. With tee times instead of the traditional shotgun start, it gave our family time to have more chats as participants arrived. We hope that you all felt the same.

We raised in total **\$48,639** in player entry fees, mulligans, cash donations, and silent auction purchases. A remarkable amount, given the changes to the day. We miss the dinner event and hope that 2022 will allow for that again. Thank you for joining us!!!

Thank you for helping individuals and their families weather the storm of cancer; letting them take a breath because they can get to a doctor appointment, receive acupuncture, have their children looked after if needed while they get chemo, or another patient support service needed, at no extra cost.

Thank you for helping us keep Nick Fouts' memory alive and for all those who have passed since we've established this community, continuing to remember and honor these loved ones.
