## Mission

**Supporting cancer patients and their families through the support of programs that offer financial assistance for treatments and ancillary costs associated with cancer care.**

### A Message from the Executive Director:

It is hard to live each moment with the reality that this organization is a constant reminder of the loss of my brother. It is hard. However, it is something that makes me a better human being because in that space is motivation, kindness, and patience. We care and love and strive to lift up those that are hurting in similar ways. Our experiences are helping others who find themselves in this cancer hole; the cruelest of teachers. A teacher nonetheless.

Each year goes by and we continue to lose loved ones, and struggle in the journeys of cancer treatments with friends. It is the loyal and constant support of the Dominic Fouts Memorial Cancer Fund and the Dom Diddy Classic community that lifts me up to continue to work towards our mission.

Thank you for being there; giving of your resources, your time, your attention, and your experiences.

With all of that said, we look forward to a new year, 2019. New advances in treatments are happening and I encourage all of you to follow the science and developments. It is encouraging.

In 2019, our annual Dom Diddy Classic will be taking place on Monday, July 1 at Tokatee Golf Club. Due to scheduling conflicts, the date had to change, but it will go back to the last Monday of June in 2020.

We miss you everyday, Nick, and know you are watching over us.
